Co. Harristown R.I.

My dear Prof. Smith -

Please rec'dt. his letter  
re: new design on card of the first  
number, you do him up by sending

I was tired for home sooner  
than I expected - consequently  
I am much more than I was  
used to have occupied. But our  
family have been since the  
Dr. is more or less ever since my

arrival and has kept us  
busy as well as anxious. I hope you  
are well, and the same wishes for  
your friends - to whom please give  
my kindest regards - I have reason  
to ~~be~~ from the New London friends

who remain much as you know  
them - With renewed affection for  
my delay and the expectation that  
that we may meet again in the near  
future - I remain very sincerely,  
Yours - M. E. Rich
